International Pharmaceutical Students' Federation

Project Accreditation Form Report

1. Introduction

IPSF Member Organisation	SAIP-SF, India
Location of the Activity	India

Activity Coordinator	Ms. Kaustubhi Singh, Ms. Shubhangi Houde, Mr. Sunil Dwivedi
Official Email	pdipsf@saip.ac.in vpd.saipsf@gmail.com sunil.dwivedi@saip.ac.in

Name of the activity	"Pharm Feast 2020"
Date	09/05/2020
Portfolio	Pharmacy Education

Summary of the Activity

This online session on occasion of Pharmacist day discussed the concept of International Pharmaceutical Student Federation and the opportunities available for future pharmacists and post-graduation students if they join IPSF via SAIP-SF. After the presentation, the result of E-Poster competition was declared, following online Quiz on Kahoot.

The topic for E-Poster was – “Transforming global Health”

2. Report

Organizing Team	15 Individuals
Who was involved?	Pharmacy and/or pharmaceutical sciences students
Partner Organizations, Stakeholders and Supporters	Nil

Aims of the Activity

The Aim of the activity included informing and educating students on :

- 1) What is Sri Aurobindo Institute of Pharmacy Student Federation 2) SAIP-SF objectives and values.
- 3) What is IPSF and its objectives and how to be a part of it.
- 4) Membership and benefits
- 5) To motivate pharmacy students to indulge in the pharmacy professional activities through poster and Quiz competitions.

Organization and implementation of the Activity

12.00PM - 12.10 PM Opening of The Program: Pharm Feast 2020 12.10PM - 12.15 PM Acknowledgement of Pharmacist Day & Greeting! 12.15PM - 12.35 PM Acknowledgement By Director Of Sri Aurobindo Institute Of Pharmacy
 12.35PM - 13.05PM Introduction to IPSF and SAIP-SF
 13.05PM - 13.25 PM Declaration of Poster Result
 13.35 PM - 14.00 PM Pharm Quiz Information
 14.00PM - 14.05PM Closure of Meeting
 The Program was streamed live on Facebook and YouTube through SAIP-SF

Part B: Report

Implementation

12.00PM - 12.10 PM Opening of The Program: Pharm Feast 2020 12.10PM - 12.15 PM Acknowledgement of Pharmacist Day & Greetings! 12.15PM - 12.35 PM Acknowledgement By Director Of Sri Aurobindo Institute Of Pharmacy
 12.35PM - 13.05PM Introduction to IPSF and SAIP-SF
 13.05PM - 13.25 PM Declaration of Poster Result and display of quiz rules 13.35 PM - 14.00PM Pharm Quiz Information and Conduction of Pharm Quiz 14.00PM - 14.05PM Closure of Meeting

The details of the poster competition were shared through our social media platforms on 20th September and the entries were closed on 24th September 2020, the result of the activity was decided to be announced during the event "Pharm Feast 2020" on the next day i.e. 25th September. The registration for the Quiz competition were started from 22nd September and closed on 24th September, the Quiz was held during the same event. Also, the director of our college was also there to acknowledge the event.

Details about our organization SAIP-SF along with IPSF were given in the event. The top Winners from each, the poster Competition and the Quiz were awarded with the one year free membership of SAIP-SF and they were disclosed through our social media.

Statistics

Audience Reached	600 Individuals
Target Audience	Organisation's volunteers (executive, committees, coordinators, etc.), Pharmacy and/or pharmaceutical sciences students, Professors
Days	1

Results and Evaluation

- 1) Students were able to understand the objectives and values of both IPSF and SAIP-SF..
- 2) Students were able to grasp the main principles related to joining IPSF from the perspectives of both as a pharmacy student, a recent graduate and as future professional who want to work of betterment of global health.
- 3) Students from all over the India showed a proficient interest in the poster making and quiz competition, we had more than expected entries for the Quiz competition.

This was the first activity we as a student body organized and the main challenge was proper conduction, we received more than five hundred participants for quiz and sorting them into groups while giving them instructions at same time so they don't face any problem was quite challenging.

The attendees expressed the beneficial outcomes of this session. We had a mass participation in poster and quiz and then we received love on social media which indicates that the agenda we had showed its effect.

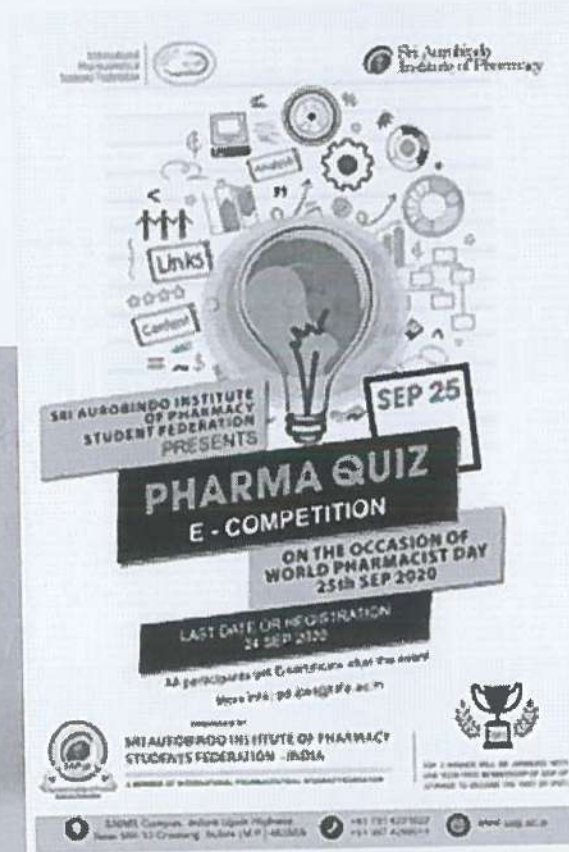

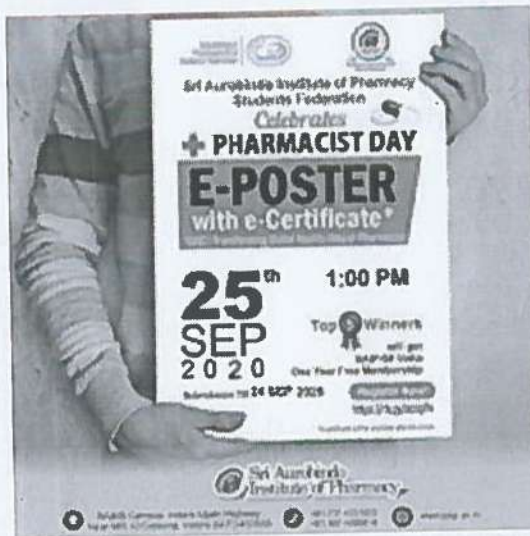

Final remarks

This activity was our first stepping stone as well as challenge for future activities. We did learn a lot in terms of management. We were thrilled with the response on both the activities we conducted and the after love we received from the participants on social media. We look forward to more activities and hopeful collaborations with mass response.

Project Accreditation Form Report

1. Introduction

IPSF Member Organization	SAIP-SF, India
Location of the Activity	India

Activity Coordinator	Ms. Shehnaz Sheikh
Official Email	cp.saipsfindia.ipsf@gmail.com

Name of the activity	Blood Donation Campaign
Date	2023
Portfolio	Public Health

Summary of the Activity

On the occasion of the Indore Heritage day, a blood donation campaign was carried out in our organization by SAIP-SF in which students from B Pharmacy, M. Pharm and Pharm D participated in donating blood within our institute hospital, Sri Aurobindo Institute of Medical Sciences, Indore.

This activity was done in the premises of the hospital and it was carried out successfully by the help of our faculty and hospital staff.

2. Report

Organizing Team	5 Individuals
Who was involved?	Organization's volunteers (executive, committees, coordinators, etc.), Pharmacy and/or pharmaceutical sciences students
Partner Organizations, Stakeholders and Supporters	Sri Aurobindo Institute of Medical Sciences, Indore

Aims of the Activity

Our aim is to foster a community where compassion and human connection come together to save lives. Through our blood donation campaign, we seek to empower individuals to make a meaningful impact on the lives of others. By donating blood, you have the power to touch the hearts of those in need, offering hope, strength, and a lifeline to those fighting against illness and injury.

Organization and implementation of the Activity

The blood donation campaign, "Vishal Raktdan Shivar," was meticulously planned and executed by the SEB in association with SAIMS, Indore, as part of the Indore Gaurav Diwas celebrations. Recognizing the significance of this noble cause, the activity was strategically planned a week before its official launch, ensuring ample time for preparations and promotion. Recognizing the significance of this noble cause, the activity was strategically planned a week before its official launch, ensuring ample time for preparations and promotion.

To create awareness and maximize participation, the campaign was promoted through various channels, with a special focus on college communities. Leveraging the power of technology and the widespread use of social media, the SEB shared information about the event through WhatsApp groups of colleges, engaging and encouraging students to become part of this life-saving initiative.

Statistics

Audience Reached	20 Individuals
Target Audience	Society
Days	1

Results and Evaluation

The blood donation campaign witnessed an impressive turnout, with a total of 20 dedicated students actively participating in this life-saving initiative. Through their selfless contributions, the campaign achieved resounding success, leaving a lasting impact on the community. The seamless execution of the blood donation process ensured a smooth and efficient operation. Under the careful supervision of medical professionals and with the support of trained volunteers, each student underwent the necessary procedures with utmost care and precision.

Final remarks

By combining professionalism with a human touch, the SEB and SAIMS aimed to create an inclusive environment where individuals could contribute to a greater cause. The meticulous planning, strategic collaboration, and effective promotion ensured a successful campaign that touched the hearts of participants and recipients alike. The partnership between SEB and SAIMS exemplified the power of collective action and served as a reminder that we can achieve remarkable feats when we come together with a shared purpose.

Name of the activity	Pharma Quiz
Date	2023
Portfolio	Pharmacy Education

Summary of the Activity

The Pharma Quiz event tested participants' knowledge in various aspects of pharmaceuticals, including pharmacology, drug development, regulations, and healthcare. 20 individuals registered for the Pharma Quiz. Participants included students pursuing pharmaceutical studies, researchers, and professionals from pharmaceutical companies. The quiz was conducted online using a reliable quiz platform. Participants were given a specific time limit to answer the questions and submit their responses. The average score obtained by participants after each round in the Pharma Quiz. This indicates the collective understanding and knowledge level of the participants in the pharmaceutical domain.

2. Report

Organising Team	6 Individuals
Who was involved?	Organization's volunteers (executive, committees, coordinators, etc.), Pharmacy and/or pharmaceutical sciences students
Partner Organisations, Stakeholders and Supporters	Nil

Aims of the Activity

This event aimed to foster knowledge exchange and critical thinking in the pharmaceutical domain. The events brought together participants from diverse backgrounds, including students, researchers, and professionals in the pharmaceutical industry.

Organisation and implementation of the Activity

1. Participants: 20 individuals registered for the Pharma Quiz. Participants included students pursuing pharmaceutical studies, researchers, and professionals from pharmaceutical companies.
2. Question Format: The quiz comprised multiple-choice questions (MCQs) with four options for each question. The questions were curated by experts in the pharmaceutical field and covered a wide range of topics.
3. Quiz Administration: The quiz was conducted online using a reliable quiz platform. Participants were given a specific time limit to answer the questions and submit their responses.
4. Performance: The average score obtained by participants after each round in the Pharma Quiz. This indicates the collective understanding and knowledge level of the participants in the pharmaceutical domain.

Statistics

Audience Reached	20 Individuals
Target Audience	Pharmacy and/or pharmaceutical sciences students, Professors
Days	1

Results and Evaluation

Since the quiz once done on an online platform it was easier to evaluate the marks after each round the winner was decided on the basis of the highest score. This activity Help the students to know more about the pharmaceutical sector. And also help them to put their knowledge into use.

Final remarks

This activity was done under our college fest and it gave the new students a chance to learn and explore more under guidance of our Pharmacy professors.

Online Session of Pharm D students regarding their clinical practice guidelines

The screenshot shows the Lexicomp website interface. At the top, there is a search bar and navigation links like 'Home', 'Trisfer's IV Compatibility', 'Interactions', 'Drug I.D.', 'Patient Education', 'Calculators', and 'More Clinical Tools'. The main content area is titled 'MetFORMIN (Lexi-Drugs Multinational)'. On the left, there is a sidebar with a table of contents including 'Uses', 'Administration and Storage Issues', 'Medication Safety Issues', 'Warnings & Precautions', and 'Reproduction, Fertility, & Lactation'. The 'Clinical Practice Guidelines' section is expanded, listing several authoritative sources: AACE/ACE (2020), ADA (2023), American Diabetes Association and the European Association for the Study of Diabetes (2016), Diabetes Canada (2018), and KDIGO (2020). A 'Prevention:' section is also visible below the guidelines.

The screenshot shows a Zoom meeting interface. The top bar displays the meeting ID '9291 49-3736-63'. The main area shows a grid of participants' video thumbnails. On the right side, a larger video thumbnail shows a participant named 'Aditya Parashar'. The bottom of the screen shows the Zoom control bar with icons for mute, video, chat, and other functions. The Windows taskbar is visible at the very bottom of the image.

Student Mentor Agreement

We are entering into a voluntary Mentoring relationship that we expect to benefit both of us. It helps to establish a firm foundation for the relationship and therefore to build trust between mentor and mentee. We want this to be a rich and rewarding experience with the majority of our time spent in substantive development activities.

We understand that, in order for this mentoring programme to succeed, it is vitally important that we both trust the other with regards to confidentiality. Therefore we agree that all information disclosed during mentoring sessions will be kept strictly confidential (by us both) and any information attained during the work shadowing process will also remain confidential, unless otherwise agreed.
