Research Promotion Guidelines

1.0 PREAMBLE

Sri Aurobindo Institute of Pharmacy is always committed to achieve excellence in Research & Development which strive us to excel in the field of pharmaceutical science. The management of the institute supports the research guidelines within its institution with its mission and vision statements i.e., to provide contemporary knowledge and also to become a hub of higher-level teaching & learning for obtaining international recognition through interdisciplinary, inter institutional research program. The head of the institution know how to provide necessary strategic decisions, corrective actions, preparation and update guidelines. The research guidelines are focused to stimulate, nurture and motivate both young and experienced researchers towards nation building. Sri Aurobindo Institute of Pharmacy will become one of the world leaders in Research and Innovation focusing on solving both local and global challenges.

1.1 Applicability

- This policy shall be applicable to all the faculty members of the Sri Aurobindo Institute of Pharmacy, all UG/PG students registered with Sri Aurobindo Institute of Pharmacy .

1.2 OBJECTIVES

The objective of the research policy is focused towards establishing a competitive research culture towards excellence by means of:

- Identification of the required faculties for carrying out scientific research.
- To promote research by publishing research/ review papers/ book chapters with journals of high repute.
- To create innovative ecosystem.

- Approved by Pharmacy Council of India
- Email: office@saip.ac.in

- To ensure and verify the quality of research outputs through research advisory council.
- Facilitating inter disciplinary research.
- Incentives and awards for research excellence.
- To encourage filing patents based on research findings.
- To allocate the Seed Grants to encourage faculty researchers to set up the basic infrastructure through development of research centres/institutes.

1.3 Expected Outcomes:

- Publication of quality research/review papers/ books/ book chapters
- Enhancement in filed, published and granted patents
- Building up state of art research facility
- Increased visibility of the institute as research institute, thus attracting better talent in its staff and students

a. Guidelines on Specific Areas

- 2.1 For promotion of Research projects, publications, consultancy and Research related activities.
- 2.2 For pursuing Ph. D.
- 2.3 Financial assistance for attending International and National Conferences and National workshops, refresher courses and Faculty Development programmes and any other.
- 2.4 Financial assistance for online certification course
- 2.5 Financial Assistance for Professional Membership
- 2.6 To create innovative ecosystem
- 2.7 Seed Grant to stimulate research ambience
